Re: Application of Duke Energy Carolinas, LLC for Approval of Energy Efficiency Plan
Including an Energy Efficiency Rider and Portfolio of Energy Efficiency Programs
Docket No. 2007-358-E

Dear Mr. Terreni:

It has been nearly 14 months since Duke Energy Carolinas first filed its Application in the above-referenced matter and more than 10 months since the hearing on the merits of the Application was held. In this time, Duke Energy Carolinas has not been able to provide its much-needed proposed energy efficiency programs to the Company's South Carolina customers. In these troubled economic times, customers need options to save energy and reduce their bills more than ever. For the Company's commercial and industrial customers, these programs could very well mean the difference between continued viability and shutting down. Accordingly, Duke Energy Carolinas again respectfully requests that the Commission close the record and require legal briefs and/or proposed orders to be submitted by the parties no later than December 22, 2008. Further, we ask that the Commission expedite its consideration of this request.

Sincerely,

Catherine E. Heigel
